Service Guaranteed**

TCSG STORAGE & RELOCATIONS

May we begin this profile by expressing to you our appreciation for having allowed us to provide for you this presentation covering our moving and relocations services.

TCSG Storage and Relocations is a newly opened International, National and Local Removal Company, also able to provide Storage, for both Long, medium and short term.

The aim and objective of our Company is to provide the very best possible services for our customers and we shall do everything possible to meet with your full expectations.

It is important, for us to express, to you, as our customers, you are dealing with a team of people, who have gained 12 years and more experience, within the International Moving Industry, and who are aware, that one relocation is not identical to that of another, and understand the anxieties caused by relocating.

We wish to assure you that The Team and Crew members of TCSG Storage and Relocations, are a service that is a step above the rest!

Always accessible to our customers and Corporate are

Chiruna Banda
Country Director/
Moving Services

Mildred Musonda
International Sales Executive/
Moving Services

who head up a highly trained, motivated and seriously committed crew.

TCSG STORAGE & RELOCATIONS

A successful moving and relocation means fully understanding all aspects of packing and loading connected with our business, and we provide the following services:

International and National Moving, which include:

- Pre-survey move
- Pre-Move Checklist
- Door to Door Quotations (based on your preference cbm, cft, lbs, kg's)
- Door to Port Quotations (based on your preference cbm, cft, lbs, kg's)
- Road, Sea and Airfreight quotation options
- Advise on documentation required for movement of Used Household Goods, both in or out of Country, Origin and Destination
- Provide and embark on full packing of consignment
- Crating and extra wrap, for those delicate items.
- Loading and off Loading at origin and destination
- Dismantling and re-assembly of furniture items

Local Removing and Office Moving

- Each Corporate has different needs when moving office, so this will be managed by our

CSO who will work closely with the Corporation's facility Manager. To ensure a smooth transition to your new office premises

Storage Facility

- Short, Medium or Long term storage offered
- Dust free storage modules/ containers for medium and long term storage

Vehicle Transportation

- Either by Road Freight or Sea Freight

We further aim to provide prospective customers with a high level of confidence ensuring that services supplied comply with agreed requirements, both of Local and International Standards,

and to delight our customers every step of the way!. To continuously improve service, quality and process efficiency and to achieve over 90% Quality Service Ratings from our customers reports.
